Will you join the team?

Job description:

As a nurse in Elderly care, you will play an essential role in the lives of residents/clients. You will create a warm and safe living environment, provide tailored medical and nursing care, and encourage the independence and well-being of the Elderly. You are an indispensable part of the team and contribute to improving the quality of life of residents/clients.

Requirements:

- You have completed a nursing degree. (EQF 4)
- You are a self-sufficient colleague with a strong sense of responsibility.
- You are someone who naturally does not take over everything, but instead encourages the residents/clients.
- You are easy-going and able to give and receive feedback from both colleagues and family members. Furthermore, you are communicatively skilled.

The company offers:

- An exciting and diverse job where you can make a difference in the lives of the Elderly.
- A permanent contract with a two-month probation period for a minimum of 32 hours per week.
- A salary between €14.48 and €19.33 gross per hour.
- Vacation pay of 8.33% per year.
- End-of-year bonus of 8.33% per year.

- 25 vacation days per calendar year for a 36-hour workweek.
- During the first year, you will receive €450 gross per month to support your housing costs.
- A 3-month Dutch language course (full-time). The first two months will be online, and the last month will take place in Porto. We will provide accommodation in Porto.
- Your flight to the Netherlands. Upon arrival in the Netherlands, we will welcome you at the airport and take you to your accommodation.
- Assistance in obtaining your BSN number, DigiD, BIG registration, etc.
- On-the-job support from our job coach.

We understand that moving to a new country is a big decision, and we take great care in ensuring a smooth and successful transition for our candidates. We know that each person's journey is unique, and that's why we offer personalized support throughout the entire process.

From the moment we start working with you, we'll take the time to get to know your needs and preferences, and help you navigate every step of the way. Our recruitment process begins with a thorough assessment of your skills and qualifications, followed by a selection process based on both technical and soft skills, motivation, and references. We'll then schedule a virtual meeting to get to know each other better and discuss your career aspirations.

Once you're selected, we'll provide you with a comprehensive three-month language and cultural training program in your home country, led by experienced Dutch language trainers and a job coach who has worked as a nurse in the Netherlands. You'll learn not only the Dutch language but also the specific medical terminology and culture of the country, so that you're fully prepared for your new job.

When you arrive in the Netherlands, our resource manager will be there to welcome you and help you settle in. They'll provide support with finding housing, getting acquainted with Dutch life, and handling any administrative tasks. We believe that feeling at home in a new country is essential for a successful work experience, and we're committed to making your transition as smooth and comfortable as possible.
